In the Shimoga district where Municipalities opened sale depots for retail sales of food grains, profits did accrue and the distribution of the commodities was made very easily as the arrangements were in the hands of an autonomous body. It is the declared policy of this department that retail sales of controlled articles should be entrusted more and more to the local bodies and village panchayats. The Siddapatta Municipality must be congratulated on having shouldered this responsibility for fuel. Returned with compliments

Municipal Fuel Depot at Sidlaghatta.

Sir,

In forwarding herewith a copy of the resolution of the Municipal Council, Sidlaghatta, passed in their special meeting held on 25/12/44 in the matter of opening a fuel Depot by the Municipality, I have the honour to state that there is scarcity of fuel in the local market and owing to the large requirements of fuel by the Silk Filature Company, at the place, the public find it difficult to obtain their requirements. The Municipal Council having considered the subject in their special meeting, have decided to run a fuel depot. It is proposed to engage a separate staff at a monthly recurring expenditure of Rs.25/- and to meet the incidental and capital expenses from the closing balance of the sanctioned budget for the current year. The fuel will be drawn from the nearest State Forest in consultation with the District Forest Officer, and the transport charges and

I have the honour to be,
Sir,
